# Thank you

Thank you for choosing to fundraise for us. All the money you raise will ensure we can support young people who have been bereaved.

Whatever you decide to do, we are here to support you every step of the way.

Feel free to contact the fundraising team on [fundraising@takeourhand.org.uk](mailto:fundraising@takeourhand.org.uk) for support or if you have any questions.

# Fundraising Ideas

Hold a knitathon or other crafting event and sell the items you make.

Complete a skydive (or another crazy challenge!).

Host a cake sale at work. Ask everyone to bring in a cake and sell slices of them throughout the day.

Complete a sporting challenge. Get in touch if you do and we can provide tops for you to wear.

Hold a virtual or face-to-face quiz night for friends and family.

Hold a movie night at home and ask for a donation from those that attend.
